

Job Explorer Database - 2011/12

Wanna be? Plan to be.®

Getting to know Jed. Part 3 – Suits me?

If you tell Jed something about yourself, the program will give you a list of jobs that might interest you.

The list will be in order from good match to less good match. The more you tell Jed about yourself, the more accurate the list will be. Remember the jobs are only a list of suggestions, you need to do more exploring to decide if it really is a job you'd like to do.

From the Main menu click on the 'Suits me quiz' icon.

Do the 'Quick quiz'. How many questions are there? _____

Note down the names of the different sections of questions, shown at the top of each screen.

Section 1 _____

Section 2 _____

Section 3 _____

Section 4 _____

Section 5 _____

At the end of the questions Jed will show you a list of matching jobs.

What is the top job on your list? _____

Click on the job title and in the job record click on the 'Suits me' section

How many things are listed that you might like about this job? _____

How many things are listed that you might not like about this job? _____

If there is another quiz question at the foot of the page. Answer it. What happens to the order of the jobs in your list?

In each job record there is a 'My notes' section. What is this section for?

If you want to tell Jed even more about yourself, answer the rest of the questions in the Big quiz. There is a link at the top of your job list.

Now save your work. From the Main menu go to 'My Jed record' and choose to 'Save my Jed record'. Your Jed record can be saved to your file space, or to a memory stick. When you next use Jed you can 'Open your Jed record' again.
